## Mission

We are committed to enhancing the quality of education by financially assisting organizations that promote, support and encourage the improvement of children's educational needs.

Inspired by the passing of Marjorie A. Urciuoli (June 3, 1940 – August 5, 2006), the Foundation was established with the purpose of providing children the opportunities that were afforded our family by our parents and their predecessors.

## Marjorie A. Urciuoli Scholarship

This year, the first annual Marjorie A. Urciuoli scholarships will be awarded to two Native American students to attend the Navajo Preparatory School, in Farmington, New Mexico.

The winning recipients will have demonstrated how the scholarship is beneficial to him/her and will receive one year's paid tuition to attend the Navajo Preparatory School. We will announce the recipients on our website and in our next newsletter. Good luck to all applicants!

## We're Making a Difference

Though we have only been in existence for eight months, the Foundation has already begun to make a difference:

- > At the Navajo Preparatory School, the Foundation contributed toward their Student Success/Life Skills program, designed to help students gain the knowledge and wisdom necessary to lead a successful and independent life in our increasingly complex and information-rich society.
- > At the YCS George Washington School, the Foundation sponsored a literature series to expand and enhance the curriculum in drama, literature and language arts.
